Why You Should Switch from Lamp to Laser Projection

Laser projection from Sharp/NEC is bringing exceptional long-life performance with impressive image quality. With no lamp replacement and minimal maintenance, cinemas enjoy a budget-pleasing Total Cost of Ownership.

Make your venue the preferred location to experience the latest titles with the added colour, detail and dimension that Digital Cinema laser technology offers, giving your visitors the ultimate immersive movie experience. Once the curtain falls, increase revenue at in-venue concessions with strategic digital signage showing cross-sales promotions.

It's the simplest way to take advantage of the latest Digital Cinema laser technology helping cinemas to save costs, waste less and enjoy the peace of mind that comes with the Sharp/NEC badge.
